

Young Combatants of Bamenda:

**Our sovereign People of Cameroon has the right to put an end
to the illegitimate Biya-CPDM regime
and to conquer its rights and freedoms.**

**Spearhead of the Nation, fearless exemplary youth,
go ahead, your future depends on it. Don't be afraid.**

**You are not alone, the entire population is behind you,
the international community witnesses your courage and your security
is warranted as you take back your liberties stolen from you for decades.**

Start the ultimate fight until victory over the dictatorship!

By your side,

Captain Guérandi Mbara G.
